

ADDITIONAL INSURANCE REQUEST

For an additional payment of \$30.00 an "Additional Insured" (AI) may be added to your Certificate of Insurance. An additional insured is a client who requests being added to your policy – not family members, your employees, etc. Some common examples of clients requiring Additional Insured Certificates are malls, festivals, fairs, hotels and parks.

Please add the following as an additional insured to my certificate. My check or credit card number is included. (Payment must be received by WCA before this coverage can be added.) Print carefully and legibly; errors will slow the process down.

Name of additional insured (please type or print exactly as it is to appear on the certificate):

_____.
